7. Recommendations for Maharshi Badrayan Vyas Samman may be made only for those young Scholars who have made a breakthrough in inter-disciplinary studies involving contribution of Sanskrit or ancient Indian wisdom, to the process of synergy between modernity & tradition and Scientist & I.T professional working for promotion of science in these languages.
8. The recommendations should clearly bring out the specific achievement for which the Award is recommended and may please be sent **along with character & antecedent certificate** of the scholar in the proforma enclosed, to the Ministry latest by **30th April, 2018**. 9. Particulars in respect of the scholars recommended for the award may be furnished in the attached proforma. It is, therefore, requested that full particulars may kindly be furnished against each column of the proforma.
10. It is also requested that while making the recommendations, State Governments, etc. may assess the particulars of the individuals carefully for this purpose. There is no objection to their setting up an Expert Committee for Preliminary Selection of Scholars. Names of those scholars who were recommended in previous years but were not selected can be considered again for the award for this year.
11. While recommending the names for the Awards, it may be stressed that awards are meant for scholars who are proficient in the respective languages and the respective fields of specialization and not those with just a smattering knowledge of the literature available in these languages. It is further emphasized that all the recommending authorities may kindly take cognizance of the fact that the scholars who are being recommended for certificate of honour has done exemplary work in their respective languages. In other words, the concerned recommending authorities in the Sanskrit language may kindly ensure that the scholar who is being recommended for the Certificate of Honour has written/published books in Sanskrit rather than on Sanskrit, which will otherwise defeat the purpose for which the award is given.

12. It is requested that where considered necessary, Universities / Literary and other Voluntary Organizations etc. may also be consulted confidentially before making the recommendation.
13. These Awards are not awarded to those scholars who received this award earlier; or not awarded posthumously; or not awarded to persons who have been convicted by a court in a criminal case or against whom any criminal case is pending in a court. Therefore, to avoid any embarrassment to the Government occurrence of any event making the nominee ineligible for the Award must be reported immediately to the Govt. and it will be the sole responsibility of the person sending the nomination to report such event.
14. It is reiterated that all nominations duly recommended by the authorities to whom this letter has been addressed will only be considered by the Selection Committee for grant of awards. Nominations received from any other authority other than those to whom this letter has been addressed and working in the organizations will not be entertained and their nominations will summarily be rejected.
15. The recommending authorities are requested to maintain complete secrecy and dignity of this award by not entertaining any application or request from individual scholars themselves. Discreet enquiries may be made for collecting full information/details about the concerned scholar from other sources, since they are not supposed to know that their name was being recommended. No material furnished by the Scholar himself should be entertained or sent along with the recommendation. Canvassing of any sort on the part of the scholar will be against his own interest and shall be viewed seriously.
