No. WR/A-72 /2019-20/1099
Date: Dec. 5, 2018

Subject: Sponsoring officers for admission to M.Tech Degree/P.G. Diploma in WRD and IWM programmes for academic session 2019-2020.

The **Department of Water Resources Development & Management** (formerly *Water Resources Development Training & Centre*) at (the erstwhile *University of Roorkee*) Indian Institute of Technology Roorkee was founded on November 25, 1955 as an academic department to fulfill the education and training (induction and refresher) needs of the organizations dedicated to **Water Resources Development (WRD) and Irrigation Water Management (IWM)**. In the past, various foreign governments have sponsored their officers to this Department to undergo training and upgrade their educational qualification in the fields of **Water Resources Development (for Civil / Electrical / Mechanical Engineers)** and **Irrigation Water Management (for Civil Agricultural Engineers / Agricultural Scientists)**. A total of 2800 officers from 52 developing countries of Asia, Africa, Latin America and Far East including India have received their Post-graduate education and training in the last 63 years.

The Information Brochure for admission to P.G. Programmes – 2019-2020 in Water Resources Development (WRD) and Irrigation Water Management (IWM) of WRD&M giving detailed information on the admission to academic program(s) is attached herewith for your perusal and consideration. It is also available on our website:

The minimum qualification for admission to M. Tech / P.G. Diploma Program in **Water Resources Development** is a Bachelor Degree in *Civil /Electrical /Mechanical/Electronics & Tele-Communication Engineering* or its equivalent and for admission to M. Tech / P.G. Diploma Programs in **Irrigation Water Management** the minimum qualification is a Bachelor Degree in *Civil / Agricultural Engineering or its equivalent or M. Sc. Agriculture in Agronomy, Soil Science, Agro-meteorology with mathematics as one of the papers at the level of B.Sc./B.Sc. Agriculture. Candidates should have preferably two years service experience with minimum 60% marks in the qualifying examination. The M. Tech Program is of two years duration and the P.G. Diploma Program is of one year duration. Last date for receipt of application form complete in all respect is June 15, 2019. Academic session will commence on July 12, 2019.*

The Information Brochure may kindly be brought to the notice of the Ministry of Water Resources, Ministry of Energy and Ministry of Public Works of the host country dealing with water resources and energy development/management programs for nominating eligible candidates to M. Tech. / P.G. Diploma in **Water Resources Development** or **Irrigation Water Management** for the academic year 2019-2020 for enhancing their knowledge base through exposure to the state-of-the art technology being offered through these academic programs.

Looking forward to your favorable response.

With kind regards and New Year Greetings,

Encl: As above

Yours faithfully,

(S.K. Mishra)
